

Finding a job can be daunting, but there is lots of free impartial information and guidance in Somerset.

---

### **Step Up Somerset**

The website brings together the tools you need for job hunting, career changes, re-training and enhancing your skills to improve your chances of getting a job. If you need more help or can't access the website, then local employment and skills advisers can provide one-to-one support via phone, including CV writing, job application, interview preparation, in-work support and re-training.
